1932 Grille Shells for 1928-29

Wescott's makes a special 1932 grille shell with an extended inner lower tank shield to fit 1928-29's. Requires use of a 3" chopped 1932 radiator and a special hood. Full fendered cars require a special front splash apron. Hood shelves are not used.

Note: the grille is NOT chopped, the sides of the shell are trimmed to allow the shell to drop lower on the frame. Order grille in 1932 section

1928-29 Radiator Shell, Hood, Fenders and Running Boards, cont

1928-29 Stock and Street Rod Hoods
Steel hoods by Rootlieb.

1 piece top

or 3 piece with sides

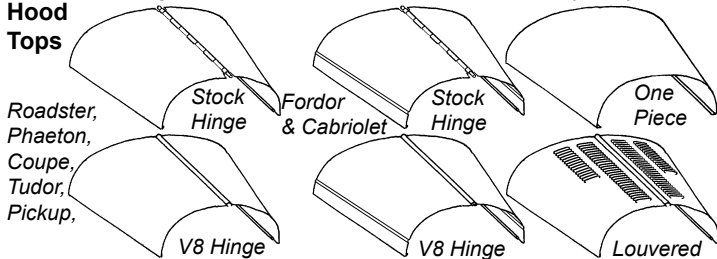

Hood top includes center hinge. (We recommend the V8 hinge on street rods for ease of opening and to help prevent paint chipping).

Hood top can be used a top panel only. Side panels do not have handles.

Side panels are complete with hood handles and hinge rods.

Hood hinges and top panel braces not included, sold separately.

Hinges and Braces for 3-Piece Hoods

Top Panel Braces

3/8" round steel braces provide extra support.

This minimizes flexing and helps to avoid cracking paint and smooths operation of hidden hinges.
